

Hickory Ridge High School
Registration Planning Form
For Rising 9th Graders
2021-22 School Year

Please use this form to write down your class choices (options are listed on Course Options sheet). Then go into Powerschool under Class Registration and make your selections.

Things to consider:

- We will have to put you in a Regular class if you choose an Honors class but don't currently have an A or B in that subject.
- Be sure to choose your three alternates wisely as you might have to take those classes. PLEASE be sure to give NEW options for alternates.
