## Course Overview

- In this course we will establish fundamental concepts that will serve as the building blocks for future math courses. Math 1 will build upon your knowledge from all previous math courses. We will explore in more depth modeling with Equations and Inequalities, Functions, and Systems of Equations and Statistics. We will also explore Systems of Inequalities, Exponential Functions, Polynomials, and Quadratic Functions.

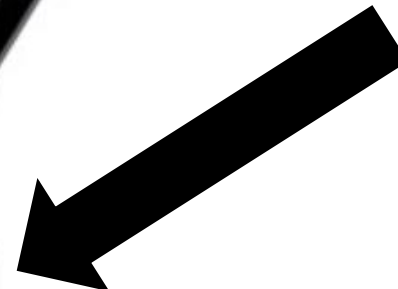

Time	Length (minutes)	Monday	Tuesday	Wednesday	Thursday	Friday
		Synchronous	Synchronous	Synchronous	Synchronous	Asynchronous
7:15 - 7:40	25	1st Block Work and Conference Time				Office Hours
7:40 - 8:05	25	2nd Block Work and Conference Time				
8:10 - 8:30	20	Homeroom/Clubs/Team Meetings <i>(Scheduled Will Be Announced on Bloomz &amp; WCHS Home Page)</i>				
8:35 - 9:35	60	1st Block	1st Block	1st Block	1st Block	1st Block
9:35 - 9:45	10	BREAK				
9:45 - 10:45	60	2nd Block	2nd Block	2nd Block	2nd Block	2nd Block
10:45 - 10:55	10	BREAK				
10:55 - 11:55	60	3rd Block	3rd Block	3rd Block	3rd Block	3rd Block
11:55 - 12:25	30	LUNCH				LUNCH
12:25 - 1:25	60	4th Block	4th Block	4th Block	4th Block	4th Block
1:25 - 1:50	25	3rd Block Work and Conference Time				Office Hours
1:50 - 2:15	25	4th Block Work and Conference Time

Originally from Youngstown, Ohio! I attended Youngstown State University in Youngstown, Ohio for my bachelors and University of North Carolina at Charlotte for my masters. I'm just starting my doctoral program at Liberty University. I'm a 16 year member of the United States Air Force Reserves which I am a Second Lieutenant under the 30th Aerial Port Squadron, Dobbins, Ga. I was a member of the CC Griffin fan

# It's Important...

- That you know there is a \$20 instructional/technology fee
- That you attend class daily and complete all assignments
- That you know 60% of your grade will be from Tests, Quizzes and Projects and 40% will be other assignments
- You attend the 25-minute sessions for additional help.
- Canvas should be your first stop for all assignments
- Contact teacher in advance if you can't be in class or any other questions or concerns
