Parents/guardians who fail to request school bus transportation for their children in advance may not be provided transportation at the last minute. If parents sign up a child to ride just prior to school opening, they will have to provide their own transportation to school until space can be obtained—this might not occur until 2-3 weeks after school has started.

The final day to request or change bus transportation for the 2020-2021 school year is 8/7/20.
