Classes

All CKECHS classes are taught at the honors level. Our high school classes involve collaboration, hands-on activities, large-scale discussions, projects, and more. You are reading, writing, thinking, and speaking in every class, every day.

We have caring teachers, smaller classes, and you can earn an Associate’s Degree (2 years of college) in addition to your High School Diploma for FREE!

Every student takes a seminar class where you prepare for college, learn about your learning style, and are prepared for real life!

Life at CKECHS

We know that you are more than just what we see in the classroom. Here at CKECHS, we have:

- College visits in every grade
- Field trips (overnight and day trips)
- Clubs – Student Council, Model UN, Prom Committee, Yearbook, and more!
- Ability to participate in sports through Covenant Classical School
- Fun seminar activities involving everyone!
