IMPORTANT/TIME SENSITIVE INFORMATION 2021 ONLINE DRIVER EDUCATION REGISTRATION

Dear Parent(s) and Student:

If you are interested in taking an online driver education course, please **complete and email the registration form to robert.kluttz@cabarrus.k12.nc.us**. The form should be returned no later than May 31, 2021. Students must be 15 years of age on or before May 31, 2021 to enroll in the driver education program.

Following this registration, we will assign students to the classroom phase of the instruction at the high school selected on the registration form. Students are normally assigned to classes with consideration given to older students first. The state has not approved the restart of the behind-the-wheel. Students will be contacted by a driving instructor to schedule the in-car instruction once the state gives the “green light” to resume the driving phase.

Online classes will be offered through Canvas. Students must have a computer and internet service to participate in the online class. Each online instructor will determine their schedule for these classes. We anticipate the class being approximately two weeks in duration. **Students will need to pay the \$65.00 driver education fee using the K12PaymentCenter accessed through the CCS website, or by money order or check payable to Cabarrus County Schools. Please mail the payment directly to Robert Kluttz, Cabarrus County Schools, PO Box 388, Concord NC 28026. Students will not be able to complete the driving phase until the payment is received.**

Students are given one opportunity to complete driver education in the public schools. Therefore, when they accept the invitation to participate in the online class they must complete it at that time. Students must successfully complete a minimum of 30 hours of classroom instruction and 6 hours behind-the-wheel instruction to receive a North Carolina Driver Education Completion Certificate.
