What do I do when ----- > School is closed and workday for staff?	
<p>School is closed for students. Principals will coordinate buildings being open for the following options:</p> <p>Option 1: work from home and certify hours worked for virtual work day.</p> <p>Option 2: take a leave day (annual, flex/comp, sick if you are sick, or new absence code 24: school closure).</p> <p>Option 3: Staff are expected to work from home unless it is not possible. You must coordinate with your principal or supervisor before reporting to your home school.</p> <p>If you elect to work from home, submit leave code 61-"Certification of Hours Worked" as a time exception in TimeKeeper or an absence in AESOP prior to school cut-off time.</p> <p>Treasurer will coordinate a signed certification.</p> <p>Leave must be recorded in TimeKeeper as an exception request or AESOP (prior to school cut-off time). Payroll will NOT automatically deduct the leave.</p>	<p>School is closed for students. <p style="color: red;">School Closure Absence Code 24 - State agencies have a new option to support employees who need to take time off due to COVID-19 infection or exposure, to care for sick family members, or to manage other eligible COVID-19 issues. School districts may advance leave to employees without accrued leave to cover missed work time, allowing 24 months to make up the time without penalty.</p> <p style="text-align: center;">NOTE:</p> <p style="color: red;">If you are NOT sick, you must exhaust all flex and annual leave prior to using code 24. If you ARE eligible to use sick, you must exhaust all flex, annual and sick prior to using code 24.</p>
