Overnight Fieldtrip Procedure for Medicines

Dear Parent(s)/Guardian,

Please follow the guidelines below for your child if he/she needs medicine during the overnight field trip. Please note the CCS medication policy is the same on any field trip, including overnight, as it is during regular school hours. If you have any questions or concerns, please contact your School Nurse.

1. **Any medicines that are currently kept in the School Nurse's office will be sent on the field trip to be given as ordered by the teacher. No additional paperwork is needed.**

2. **If your child normally takes medicine outside the school hours and will need to take it while on the field trip, please follow the guidelines below:**

   - **Prescription or over-the-counter medicine to be given by school staff** must have medicine order completed and signed by a medical provider. Parent must sign medicine order allowing school staff to give medicine. Medicine must be sent in a pharmacy bottle with prescription label or in the original container with your child's name and least amount needed. Medicine and order must be given to the School Nurse to review before the field trip.

   - **Prescription medicine to be self-administered by the student** must have a medicine order completed and signed by a medical provider. Parent needs to sign medicine order allowing the student to self-medicate. Student will need to meet with the School Nurse to complete self-med contract before the field trip. Medicine must be sent in the original container with prescription label and least amount needed. Medicine order must be given to the School Nurse to review before tile field trip.

   - **Over the counter medicines to be self-administered by the student** must have a note from parent attached to medicine allowing the student to self-medicate. Note must include medicine name, amount, time, and parent signature. Medicine should be sent in its original container with student's name on it and least amount needed.

All medicine orders and/or medicines for the overnight field trip are due to the School Nurse to review by

Important Information about Medication Administration in schools

- When possible, medications should be taken before or after school.
- Written parent/guardian consent and an order from a licensed healthcare provider are required for administering prescription and over-the-counter medications at school. Contact the school nurse for help if relocating to Cabarrus County. Some medications may not be suitable for a school setting. Contact the school nurse if you have questions.
- No medication will be given at school until this authorization has been reviewed and signed off by the School Nurse.
- Medications are given by a nurse or school staff trained by the School Nurse.
- Each medication must be in the original labeled container from the pharmacy or healthcare provider's office. Some pharmacies will provide an extra container for school use.
- Information about this medication and the student's health may be shared with other school staff or agents of the school to help assure the student's safety and success at school.
- The school nurse may contact the healthcare provider who prescribed the medication and the pharmacy where the prescription was filled to discuss this medication.
- New authorization forms are required at the beginning of every school year, when the dose or directions change, and when a new medication is prescribed. Parents/guardians must supply the medications.
- When a student self-administers an OTC medication without school staff support, the drug must be sent in the original container with only 1or 2 doses with a written authorization signed by the parent and attached to the container. The authorization must also include the date, time and amount of medication to be self-administered by the student.
