

# Directions for Self-Registering in PowerSchool

**Step 1:** Click “**Student Sign In**” to log into PowerSchool using your student ID and password. Click on the below to get to the PowerSchool login page. You may see either or both of these images.

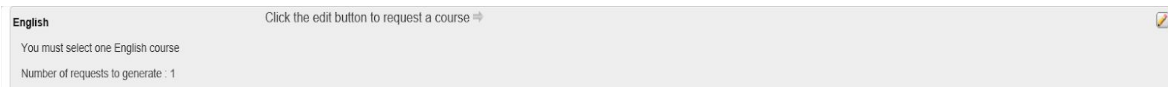

**Step 2:** Click on “**Class Registration**” located in the left menu bar.

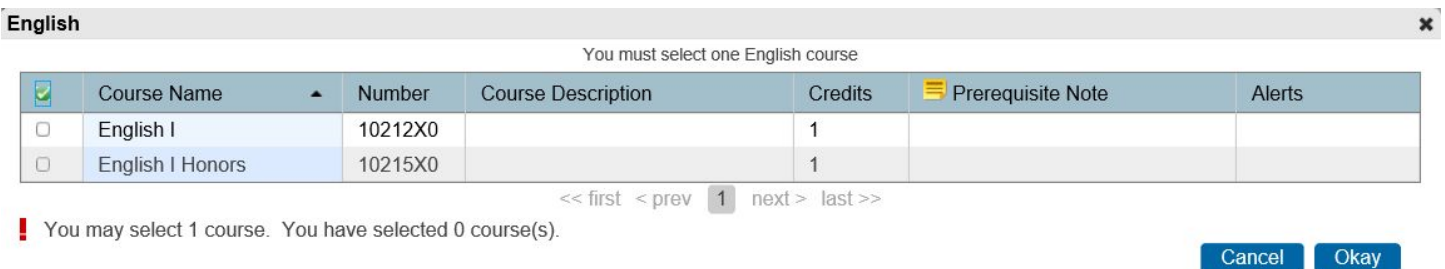

**Step 3:** You must choose 8 courses with 2 alternates for a total of 10 courses.

Click on the **pencil icon** in each section to open up the selections.

**Step 4:** Choose the course you need. Make sure you note any prerequisites needed.

Once you make your selection in each of the main sections, click “**Okay**”.

**Step 5:** Once your core (English, Math, Science, Social Studies) courses are chosen, you can choose your electives. As a reminder, you need the following core courses:

- 4 English courses (English I, II, III, IV)
- 4 Math courses (Math 1, 2, 3, 4 or other options)
- 3 Science courses (Earth & Environmental, Biology, Physical Science or other options)
- 4 Social Studies courses (Civics, World History, American History I, American History II or other options)

Click [HERE](#) for a course tracking sheet.

**You must choose 3 electives and 2 alternates.**
