## Inclement Weather Procedures

To get the latest school closings, go to the Cabarrus County Schools Website. With 2 different schools systems involved (Cabarrus County and RCCC) it can get tricky. Please remember, we are part of Cabarrus County Schools and will follow what the system does. Below are the different scenarios:

1. **Both Cabarrus County Schools and RCCC are CLOSED** – All is right in the world! Crawl back in bed and we will see you tomorrow. No school at all.
2. **Both Cabarrus County Schools and RCCC are Delayed** – Reset the alarm and sleep a little longer. Students and transportation will follow the delayed schedule.
3. **Cabarrus County Schools are CLOSED and RCCC is OPEN** – Cabarrus Tech will not be open and students will not have high school classes. Students that have college classes that day will get excused absences in those classes, but will be responsible for the work missed. If a parent would like to provide transportation to and from RCCC, they can go to their college class. Students are not allowed to be dropped off for the day.
4. **Cabarrus County Schools are OPEN and RCCC is CLOSED** – Cabarrus Tech will be open and we will have high school classes.
5. **Cabarrus County Schools are on a Delay but RCCC is on REGULAR TIME** – Buses will run on the delayed time. Students that miss college classes because will get excused absences in those classes, but will be responsible for the work missed.
6. **Cabarrus County Schools are on REGULAR TIME and RCCC is on a DELAY**. We will come to school at the regular time.
