What’s Happening This Month

April 18th- 3rd quarter report cards go home
April 18th- Spring pictures at 11
April 20th- Field Trip
April 25th- Field Day

A Peek At What We Are Learning

Reading
This week in reading we are reviewing what good readers do. We are going over old strategies and talking about how we use them. We are practicing these skills daily in our reading groups, with partners and independently!

Writing
This week in writing we are continuing our research on our all about topic. Please help your child research at home as well. Also help them practice writing using finger spaces, proper punctuation and writing so readers can read what they have wrote.

Math
This week in math we are continuing learning how to fluently add numbers 0-5. We are also learning about the parts and the whole of a number.

Homework
dreambox, reading A-Z and Mobymax from home. You can access all of these from the clever logo on our schools website. You should also be reading 15 minutes daily as well as practicing sight words daily! After you read ask your child some questions about the story to help build reading comprehension!

A Note From Mrs. Burris
If you would like to help with field day, please notify the front office. They can use the extra help!

Sight Words:
been, called, who
