The Self that Others See – 1 detailed paragraph

• Write it to represent the image you project to the world. How do you think other people see you, especially those who don’t really know you beyond the surface level?

The Self that You See – 1 detailed paragraph

• Write it to match the parts of your personality that you see or only those who know you very well see. Do not feel that you have to reveal horrors of your past or deep-down secrets. Just take a very honest look at yourself or ask someone close to you for suggestions about this part if you are struggling with what to include.
