Mrs. Burris’ Butterflies

What’s Happening This Week

March 3rd- Rise against hunger
If you would like to help pack meals this will take place at PSRES from 8am-2pm.

A Note From Mrs. Burris

Please remember to read, write, practice sight words and count with your child daily. These are important tools to help your child be successful in school. Reading to them or listening to them read will help them in all areas of school. I cannot stress how important this is.

A Peek At What We Are Learning

Reading

We are always learning new reading strategies, how to read with a partner, how to visualize, comprehend, predict and so much more. Please practice these skills with your child at home!

This week in writing we are finishing up our how to books. We are going to focus on using capital letters, punctuation, spacing and trying our best to spell words. Please help your child practice writing at home. The more they do it the easier it will become.

Math

We are learning how to compose and decompose the numbers 11-19. Please continue working with your child on number identification, counting to 100 by 1’s and 10’s.

dreambox, reading A-Z and Mobymax from home. You can access all of these from the clever logo on our schools website. You should also be reading 15 minutes daily as well as practicing sight words daily! After you read ask your child some questions about the story to help build reading comprehension!

Homework
