Create a Superhero

- You and a partner will be choosing a court case

- Cases to choose from:
  - Plessy v. Ferguson
  - Brown v. Board of Education of Topeka, Kansas
  - Swann v. Charlotte Mecklenburg Schools
  - Gideon V. Wainwright
  - Miranda v. Arizona
  - Texas v. Johnson
  - Tinker v. Des Moines
  - Obergefell v. Hodges
  - Mapp v. Ohio
  - New Jersey v. T.L.O.
  - Roper v. Simmons
  - Engel v. Vitale
  - District of Columbia v. Heller
  - Korematsu v. USA
  - Hazelwood v. Kuhlmeier

- You will be creating a superhero that embodies that court case you chose.
- For your superhero you must
  - Pick a name for your superhero
  - Draw your superhero and give him/her a creative outfit
  - Your superhero must have a superpower that correlates to your court case
    (example: if you were given Roe v. Wade your superpower could be invisibility since that case dealt with a women’s right to privacy).

- Now, design a nemesis (enemy) to the Superhero!
- Once you have designed your superhero, you will be creating a 5-frame comic strip in which your superhero will be put in a situation where they must use their given superpower against their nemesis.
  - You can choose to recreate the story of the case OR you may create an entirely new situation for your superhero to use his/her superpower in.
