

A Million Dreams

I close my eyes and I can see a world that's waiting up for me
that I call my own
Through the dark, through the door, through where no one's been before,
but it feels like home

They can say, they can say it all sounds crazy
They can say, they can say I've lost my mind

I don't care, I don't care, so call me crazy
We can live in a world that we design

'Cause every night I lie in bed the brightest colors fill my head
A million dreams are keeping me awake
I think of what the world could be a vision of the one I see
A million dreams is all it's gonna take
Oh, a million dreams for the world we're gonna make

There's a house we can build
Ev'ry room inside is filled with things from far away
Special things I compile, each one there to make you smile on a rainy day

They can say, they can say it all sounds crazy
They can say, they can say we've lost our minds
I don't care, I don't care if they call us crazy
Runaway to a world that we design

Ev'ry night I lie in bed, the brightest colors fill my head
A million dreams are keeping me awake
I think of what the world could be, a vision of the one I see
A million dreams is all it's gonna take
Oh, a million dreams for the world we're gonna make
However big, however small let me be part of it all share your dreams with me

You may be right, you may be wrong but say that you'll bring me along
to the world you see
To the world I close my eyes to see, I close my eyes to see

'Cause every night I lie in bed the brightest colors fill my head
A million dreams are keeping me awake
(A million dreams, a million dreams)
I think of what the world could be, a vision of the one I see
A million dreams is all it's gonna take
A million dreams for the world we're gonna make
For the world we're gonna make
