Re: Ticket Sales

Date:

Schools are being asked to have two people work each money box at every athletic event for the purpose of safe guarding cash and/or dual controls.

Your son/daughter, \_\_\_\_\_, has agreed to assist the school by sitting at the money box while a (*school name*) \_\_\_\_\_ staff member sells tickets. Once we stop selling tickets, your son/daughter will be asked to observe/witness the process of counting the money and matching the number of tickets sold with the money.

By signing this paper, you

- (1) are giving your son/daughter permission to assist the school with this process
- (2) understand that if, at the time of counting money, there is a large discrepancy between the money in the cash box and the number of tickets sold, your son/daughter might need to respond to questions regarding this process.

Thank you.
